# **ANNUAL REPORT**

---

**Madina Foundation**

**2021**

MADINA FOUNDATION

## **Introduction**

Madina Foundation is a non-profit charity organization approved under Section 47(I) (d) of the Income Tax Ordinance 1979, Government of Pakistan. The Foundation is dedicated to serving humanity in various sectors, including health and education. In addition, the Foundation is running various non profit projects for the welfare and social uplift of the community.

Since 1948, the Madina Foundation, one of Pakistan's most respected non-profit welfare organizations, has worked for social development and aid to low-income communities. It is led by a group of highly motivated academics and social workers that includes doctors, engineers, lawyers, business executives, and people from all walks of life. We provide health, education, public awareness, livelihood, prisoner welfare assistance, and disaster relief. Madina Foundation provides free food, health care, and other financial support to thousands of underprivileged and needy people every day.

## **Vision**

Give back majority of profits from the business to local and regional communities in the form of not for profit projects aimed at the general welfare and uplift ,particularly the underprivileged cross section of the society.

## **Mission**

Our Mission is alleviation of unemployment and poverty irrespective of religion, cast, color, gender or creed and Provide economic relief and empowerment to the underprivileged cross section of the society.
